Hi All

So, first, none of you need to be here for trial on August 3, 2010 - Com v. [REDACTED] (certs [REDACTED]).

However, the case has been rescheduled for September 21, 2010. Hopefully that date works for everyone. If anyone has a conflict let me know.

Also, for your scheduling purposes, we have already attempted to plea this case out and the judge agreed the Defendant should go to jail and he does not want to go, so I'm pretty sure this will be a trial.

I will send out new subpoenas for the new date too. I have everyone's CVs already, but is there any discovery packet you guys have on this case? If so could you mail it to me.

Thanks!
